Talk about adventures!
Men in the Navy come
home with the kind of
experiences that most
chaps read of only in the
books.

Here's your chance!

Uncle Sam has, as you know,
a big Navy and gives red-
blooded young fellows like you
an opportunity to step aboard
and "shove off".

What will you get out of it?
Just this:

A chance to rub elbows with
foreign folks in strange parts of
the world.

The chance for good honest
work on shipboard—the kind of
work that teaches you something
real; the kind of work that puts

beef on your shoulders and hair
on your chest.

You will get 30 care-free vaca-
tion days a year, not counting
shore leave in home or foreign
ports.

You will have the kind of com-
radeship in travel that sailors
know.

You will have regular pay
over and above your meals, lodg-
ing and your first uniform outfit
—good stuff all of it.

You can join for two years.
When you get through you'll be
physically and mentally "tuned
up" for the rest of your life.
You'll be ready through and
through for SUCCESS.

There's a Recruiting Station
right near you. If you don't
know where it is, your Post-
master will be glad to tell you.

To any Father and Mother:—
In the Navy your boy's food, health, work and play, and
moral welfare are looked after by responsible experts.
